

## Level 3 Assessments – What to expect

***The assessments in this programme are your friends!*** They are all designed to help you grow in your relationship with God and your knowledge and understanding of Bible. They will help you think about things in new ways. You will thoroughly enjoy uncovering new insights as you continue through the year.

All courses include Short Answer Questions where you get to immediately respond to what's being taught by sharing how it might apply to your life and situation.

Here's what to expect in each course:

### Course: Relationship with God

In term 1 you will grow your relationship with God by completing a weekly journal where you reflect on how you spend your time with God. You will also make a spiritual growth plan to target specific areas of growth.

- Short answer questions
- 6-Week reflective journal
- Spiritual growth plan

### Course: Digging Into God's Word

In term 2 you will put into practice the Bible study tools you will be learning by making your own observations of some selected Bible verses and passages. You will also try your hand at interpreting and applying a particular passage for today. A clear framework will be provided to help you with your essay.

- Short answer questions
- Observation on Scripture (2)
- Short essay

### Course: Biblical Leaders

In term 3 you choose a biblical leader to study and write about, and you will write a short reflection on your own personal leadership and character growth.

- Short answer questions
- Bible character study
- Short reflective essay

### Course: Living and Sharing Your Faith

Term 4 has a more outward focus. You will write two short reflections on aspects of living your faith. You will also write out your own "God story." Lastly, you will choose a chapter from the textbook for this course and answer selected questions from the study guide.

- Short answer questions
- Reflections (2)
- God story and reflection
- Chapter study
